

STANDARD COLLEGE MISSION STATEMENT

Standard College of Nursing is a student-centered institution that provides high quality and dynamic nursing education to its students in preparation for licensure as professional/vocational nurses and entry into the field of nursing, as well as provide them with the foundation needed to further their long-term educational and professional goals. Our core mission is to support and inspire our students to achieve excellence in nursing by being innovative, exhibiting a spirit of inquiry, and seeking continuous quality/performance improvement. We aim to inculcate professionalism, caring, and the pursuit of knowledge as a lifelong enterprise, in a culturally diverse and supportive learning environment.

PRACTICAL NURSING MISSION STATEMENT

The mission of Standard College's Practical Nursing program is to educate and train students from diverse educational, cultural and personal backgrounds to earn a Practical Nursing diploma, pass the NCLEX-PN licensure exam, and gain employment as a licensed Practical Nurse in a diverse nursing workforce. Standard College aims to instill in all graduates a desire for lifelong education and learning.

***Standard College offers educational programs, and not employment.

We look forward to seeing you at Standard College!
