FINANCIAL AID

Federal Financial Aid is available to LPN to RN Transition Program students who qualify. To apply for financial aid, each new student and currently enrolled students must complete an annual Application for Federal Student Aid (FAFSA) and meet the eligibility requirements. Our college code is **042210**. The form is available online at www.standardcollege.edu/financialaid or www.fafsa.ed.gov

INTEREST FREE PAYMENT PLAN

The college offers Interest Free Payment Plan. Student shall pay 50% of the total cost of the term 7 calendar days prior to the start of the term and the balance 50% must be paid by 8th week into the term.

MISSION STATEMENT

Standard College of Nursing is a student-centered institution that provides high quality and dynamic nursing education to its students in preparation for licensure as professional/vocational nurses and entry into the field of nursing, as well as provide them with the foundation needed to further their long-term educational and professional goals. Our core mission is to support and inspire our students to achieve excellence in nursing by being innovative, exhibiting a spirit of inquiry, and seeking continuous quality/performance improvement. We aim to inculcate professionalism, caring, and the pursuit of knowledge as a lifelong enterprise, in a culturally diverse and supportive learning environment.

*** Standard College offers educational programs, and not employment.

Please feel free to call and schedule an appointment to speak with the Admissions Office with any questions about the Program requirements. The Admissions Office can be reached by email at nadmissions@standardcollege.edu or by phone at 703-891-1787

ADMISSION REQUIREMENTS/ PROCESS

Phase I

1. The applicant must submit an Online Application with a non-refundable Application Fee of \$100.00.
2. Applicant must be a Licensed Practical Nurse with a current license in good standing and qualified to practice nursing in the State of Virginia.
3. Applicant must provide evidence of high school completion by submitting an official high school transcript, a GED Certificate, a Postsecondary degree transcript, or a transcript showing successful completion of at least 60 semester transferable credit hours.
4. Applicant must submit official college transcripts with required prerequisite courses. Applicant must complete the following prerequisite courses with a "C" or better from an Institution of Higher Learning accredited by an accrediting agency recognized by the U.S. Department of Education:
 - a. Anatomy & Physiology I
 - b. Anatomy & Physiology II
 - c. Microbiology
 - d. College Psychology
 - e. College Mathematics
 - f. College English Composition
 - g. Speech/Public Speaking/Communication

International Transcripts: Non-U.S. transcripts of secondary and/or post-secondary education must be evaluated by an evaluation agency to determine U.S. equivalency.
5. The applicant must take the HESI LPN to ADN Entrance Exam and achieve a score of "750" or higher. Applicants may take the Exam twice each admission cycle. In the event an applicant does not receive a score of 750 or higher after two attempts, he/she will no longer be considered for admission to the program. The applicant may apply to an LPN to RN Transition Program with a different start date.
6. Applicants must attend an admissions interview.
7. Pending the receipt and review of the above documents by the established time frame and once accepted, the applicant will be notified in writing.

Phase II

1. Applicants must successfully complete the Fundamental Nursing Skills and Concepts Validation Course with a score of 79.5% or higher. There is a \$1295 cost to take the Course, which is not covered by financial aid.

2. Complete criminal background check (school will give you the information)
3. Complete and submit Physical Exam, required immunizations, and TB testing
4. Submit American Heart BLS CPR certificate

APPLICATION SUBMISSION DEADLINE

The application form, required documents, and official transcripts must be received by January 7th, 2022 in order to be considered for admission to the 2022 Spring Program.

Acceptance/Rejection letters will be sent to applicants by the 3rd week in January 2022.

SCHEDULE

The next LPN to RN Transition Program is scheduled to start February 23th, 2022.

Class Schedule:

Wednesday	5:00pm - 10:00pm
Saturday	8:00am - 3:00pm
Sunday	4:00pm - 9:00pm

Clinical Schedule:

Due to the competitive nature of clinical placement and to ensure appropriate and adequate clinical experiences, clinical sessions may be held on weekdays, weekends, and evenings. Clinical assignments are based on clinical agency availability as determined by the agency. Clinical sessions are held in Virginia, Maryland, and Washington D.C. Students must be flexible regarding clinical schedule.

Recommended Study Time: A basic rule for any degree is to spend the same number of hours studying per week as you are in class. Since you will be taking 16 hours of classes each week, you should be studying 16 hours per week at a minimum. Depending on the difficulty level of the course, may need to study more than 16 hours weekly.

Recommended Hours of Work: The LPN to RN Program is rigorous. It demands time and flexibility. The number of hours a student can work is dependent on the individual. We strongly recommend that students work no more than 32 hours a week.

PROGRAM OVERVIEW

Standard College trains and educates students for careers in the healthcare field as Registered Nurses in the LPN to RN Transition Program. Upon successful completion of the requirements of this program and after passing the NCLEX-RN licensure exam, the

graduate will have the knowledge, skills and values necessary to seek employment as a Registered Nurse in a variety of health care settings.

HESI – PRE-ADMISSION TEST

The HESI LPN to ADN entrance exam is a 75-item nursing exam for Licensed Practical nurses seeking entrance into the LPN to RN Transition program. Students are given up to 2 hours to take the Exam. Study Materials: NCLEX PN book or PN Course Textbooks

Exam Content Areas: Fundamentals, Pediatric Nursing, Maternity, Professional Issues, Medical-Surgical, Psychiatric/Mental Illness.

Cost: \$59.00

You can register to take the test at Standard College. Go to:

<https://www.standardcollege.edu/admissions/lpn-to-rn-transition-program/hesi-entrance-exam/>

Applicants may take the HESI test prior to submitting an application!

On-site clinical facilities are requiring students who participate at their sites to have the COVID-19 vaccine. Accordingly, in order to complete program requirements and progress in the program, students must have the COVID-19 vaccine.
