3. Submit proof of health insurance policy prior to attending clinical practicum.
4. Complete and submit Physical Exam, required immunizations, and TB testing.
5. Submit American Heart BLS CPR certificate.
6. Timely finalizing the registration process by submitting the required financial documents and tuition payments.

Comprehensive information on the LPN to RN Transition Program requirements can be found in the Student Catalog at <https://www.standardcollege.edu/handbook/>

The LPN to RN Transition Program consists of four terms. Students take one course at a time and must pass each course in order to proceed to the next course. A student passes a course with a grade of 79.5% or higher. Students receive an Associate's Degree upon graduating from the program.

Standard College utilizes a blended learning environment. Course lectures in the LPN to RN Transition Program are held online. Students come to campus to participate in the Skills Lab and to take select exams. Students complete the clinical practicum onsite at a healthcare facility located in Virginia or Washington, DC. Students must have regular access to a computer with a camera and internet access in order to successfully participate in the program.

CLINICAL SCHEDULE

Due to the competitive nature of clinical placement, clinical sessions may be held on weekdays, weekends, and evenings. Clinical assignments are based on clinical agency availability as determined by the agency. Students must be flexible regarding clinical schedule.

COVID-19 Vaccine Policy

To participate onsite at the clinical facilities, students must be vaccinated against COVID-19. Information on Standard College's COVID-19 Vaccine Policy can be found at <https://www.standardcollege.edu/consumer/covid-19-vaccine-policy/>
